

What is “PROP 65” label and why is on my AKG product?

Question:

What is “PROP 65” label and why is on my AKG product?

Answer:

Proposition 65 (formally titled The Safe Drinking Water and Toxic Enforcement Act of 1986) is a California law passed by direct voter initiative in 1986. Its goals are to protect drinking water sources from toxic substances that cause cancer and birth defects and to reduce or eliminate exposures to those chemicals generally, such as consumer products, by requiring warnings in advance of those exposures.

Due to proposition 65 law in California a warning label has been placed on all of our products but this label is only mandatory in California.

For more info please visit: <https://oehha.ca.gov/proposition-65/proposition-65-list>

From 12th September 2020 the label will no longer be placed on the products by the manufacturers, it will be only applied in US warehouse for that market.

About HARMAN Professional Solutions

HARMAN Professional Solutions is the world's largest professional audio, video, lighting, and control products and systems company. Our brands comprise AKG Acoustics®, AMX®, BSS Audio®, Crown International®, dbx Professional®, DigiTech®, JBL Professional®, Lexicon Pro®, Martin®, Soundcraft® and Studer®. These best-in-class products are designed, manufactured and delivered to a variety of customers in markets including tour, cinema and retail as well as corporate, government, education, large venue and hospitality. For scalable, high-impact communication and entertainment systems, HARMAN Professional Solutions is your single point of contact. www.harmanpro.com
