

How to Save a New Show or After Updating a Current Show

I. Press Menu button to bring up main screen.

2. Press the SHOW lcon: this will bring up the EDIT SHOW menu that allows the management of show files with the ability to save and update a current show, and the ability to load from and backup to the USB stick, as well as save to the internal MMC (SD card). This menu screen also gives you access to the Global Isolate filters.
