Bluetooth Pairing the 104-BT

15-Apr-22

Question:

My I04BT is not pairing with iPhone, iPad or Tablet, how do I fix this?

Answer:

To pair a Bluetooth device:

- Use the input selector button to change to Bluetooth.
- Press and hold the input select button until the LED begins flashing.
- You will hear a chime through the speakers.
- On your phone, laptop or tablet select the I04SET-BT from Bluetooth menu.

Once connected the LED will stop flashing and you will hear another chime through the speakers.

About HARMAN Professional Solutions

HARMAN Professional Solutions is the world's largest professional audio, video, lighting, and control products and systems company.
